

WHAGS October Program

Source Citations:

The Good, the Bad, and the Ugly

Presenter: Diana Elder AG[®], AGL[™]

No matter whether you're a beginner or a seasoned genealogist, you know how important it is to cite your sources. Join us in October and pick up tips to make that task easier.

Documenting sources doesn't have to be complicated. Learn what details to include in a source citation and how to deal with online sources as well as those in your personal files. We'll also look at ways artificial intelligence can streamline the creation of source citations.

Diana Elder AG, AGL, is a professional genealogist accredited in the Gulf South region of the United States.
