

WHAGS Genealogy Document Scanning

Register now for this FREE event!

Lone Star College-Tomball Community Library

Saturday, August 22nd, 2026

10:00 am – 2:00 pm

We're glad you're interested in learning more about our **FREE** special genealogy event in cooperation with Kyla Bayang, Genealogy Librarian at the LSC-Tomball Community Library! Bring your photos/documents/media, and convert them into digital files easy to preserve and share with future generations. **Registration** is required to schedule time on the equipment, so sign up today!

After registering, you'll be assigned a specific time-slot to scan your material. Here's a general outline of what's on the agenda for the day:

10:00 am – 10:15 am **Welcome and Orientation**

10:15 am – 11:45 am **Morning Digitation Sessions**

11:45 am – 12:15 pm **Lunch Break**

12:15 pm – 1:45 pm **Afternoon Digitization Sessions**

A variety of scanners and audio-visual converters are available for your use in half-hour increments. When you register, we'll ask you about the existing formats of the items to scan. Movies involve actual replay time digitization, so be ready to estimate their run times.

- Non-fragile photos/documents
- Fragile photos/documents
- Books
- Negatives, slides
- VHS movies
- Compact files and movies
- DVD files and movies

Additional tips and training will be provided closer to August 22nd. Sign up early and reserve your spot as soon as you can! If you have questions, please email us at publicity@whags.email. Spread the news to friends by sharing the publicity flyer.
